

## NO FAULT SAFETY SURFACE OUTDOOR MAINTENANCE GUIDELINES

### ROUTINE MONTHLY MAINTENANCE

Broom, vacuum, blow, or hose off entire surface to remove any loose debris such as sand, dirt, leaves, tree sap, chewing gum, bird droppings, scuff marks, etc. Repeat as needed.

A pressure washer may be used if all No Fault equipment recommendations and technical guidelines are strictly adhered to. Please contact No Fault at 800-232-7766 for complete technical guidelines and equipment recommendations regarding pressure washers.

### ISOLATED STAINS

On heavily stained isolated spots, while surface is still damp from hosing, apply a sufficient amount for adequate coverage of full strength all purpose cleaner; using a hand-held spray bottle, scrub thoroughly with a 10" medium basine bristle scrub brush. Repeat as needed on extremely tough stains.

### GENERAL AREA CLEANING

While surface is still damp from hosing, apply a mixture of full strength all purpose cleaner and water using a garden pump sprayer to a small area be sure to follow directions for use on the cleaner you choose from your local supplier. Scrub using the basine 10" medium bristle scrub brush. Repeat as needed. Once the entire surface area has been cleaned, rinse thoroughly using a garden hose with nozzle attachment.

### HELPFUL HINTS

1. Perform cleaning during early morning or late afternoon to allow cleaning products sufficient time to react without being evaporated.
2. Area to be cleaned must be slightly damp prior to applying cleansing solution.
3. Clean only a small area at a time making sure it is thoroughly scrubbed to eliminate the possibility of dirty spots and/or streaking caused by areas missed while scrubbing.
4. It shall be at the owner's discretion whether to remove stains on a less than annual basis. The owner acknowledges that a stain may become more difficult or even impossible to remove if not addressed immediately. This procedure provides no guarantee of stain removal.

### RECOMMENDED EQUIPMENT & SUPPLIES

- |  |   |
|--|---|
| ✓ Broom, Wet/Dry Shop Vac or Blower                                    | ✓ Disposable gloves   |
| ✓ Garden hose with spray nozzle  | ✓ Cleaning & rinsing buckets  |
| ✓ One 1/2 gallon garden pump sprayer                                   | ✓ 10" medium bristle scrub brush                                      |
| ✓ All purpose cleaner in hand-held spray bottle<br>(i.e. Formula 409™) | ✓ JOMAX® House Cleaner and Mildew Killer<br>(manufactured by Zinsser) |
| ✓ Disposable rags  |   |

### AVOID THE FOLLOWING CHEMICALS AS THEY CAN BE DETRIMENTAL TO THE NO FAULT SAFETY SURFACE

- |                                  |   |
|----------------------------------|---|
| × Chlorine Bleach                | × Thinners  |
| × Disinfectants                  | × Mineral Spirits   |
| × Gasoline                       | × Solvents (including Organic Solvents)                                     |
| × Diesel                         | × Heavily concentrated degreasers<br>(i.e. Grease Lightning & Simple Green) |
| × Hydraulic and Lubricating Oils |   |

**NOTE: NEVER USE A STEEL OR HARD PLASTIC BRUSH ON MANUAL OR ELECTRIC CLEANING UNITS**  
**WARNING: HIGH HEELS, SHOES WITH SPIKES & OTHER SHARP OBJECTS WILL DAMAGE THE SURFACE**

Failure to read and follow instructions explicitly will result in damage to the surface and termination of the No Fault Safety Surface warranty.
